Alternate Hotel

This won't last long either!

Thank you for registering for TapeOpCon in New Orleans.

Because our the Fairmont Hotel is now sold out, we have arranged for a sweet deal on a limited number of rooms at the SpringHill Suites, Marriott's all studio suites hotel. Designed for guests who want spacious and functional accommodations, this hotel is located at 301 St. Joseph Street, in the hip Warehouse District, just across the street from the Howlin' Wolf (home of all the TapeOpCon evening music shows).

The SpringHill Suites offers a choice of one bedroom suites (either a King or two Queens) plus a living area with a sleeper sofa, comfy lounge chair and ottoman, work desk with ergonomic chair and kitchenette complete with a mini-fridge, wet bar, coffee maker and microwave. To further enhance your stay, SpringHill offers complimentary breakfast buffet, free local phone calls, swimming pool, and an exercise room.

We have arranged for a great rate of **\$99.00 per night** at the SpringHill Suites for TapeOp Con, but these rooms are very limited and available on a first-come, first-served basis and most certainly will not last long. All reservations must be made by May 19, but there are no guarantees that the block of rooms will last that long.

To make a reservation, call the SpringHill Suites, toll-free at 888-364-1200 and request the "TapeOpCon group room block." If you have any questions or problems, please email Jon Kardon at jkardon@nocci.com.
